

# DEGREE IN 3

## B.S. in Agriculture | Agricultural Communication

Students must work closely with their academic advisor to ensure they meet all degree requirements, and must declare intent to complete Degree in 3 during their first two semesters. AGCM students must complete at least 45 credits by the end of their first year to meet course prerequisite requirements in the School of Communication.

College of Agriculture

	STS Selective	3	HUM/SS Selective	3	
	Free Elective	3	Free Elective	3	
	15		15		

- \* According to university policy, students who wish to take credit hours in excess of 18 (fall/spring semesters) or 9 (summer semester) must have approval from their college. Overrides of this kind will need discussed with your academic advisor.
- \*\*Course fulfills the College of Agriculture Capstone course/experience requirement.
- Specific course names/numbers may vary per semester depending upon availability. Advanced Placement, transfer, or test-out credits may reduce semester loads.
- Courses shown here must meet University Core Curriculum and College of Agriculture requirements for International Understanding (9 credits) and Multicultural Awareness (3 credits). Programs must also satisfy the University's Civics Literacy Proficiency requirement and include at least 32 credits of Purdue courses at or above the 30000-level.
