

# PK-12 Engagement Fall Workshops

Hosted by the College of Agriculture's Office of Academic Engagement & the PK-12 Council

November 10, 2014 • Fine-Tuning Your Activities

Facilitated by Dr. Neil Knobloch & Amy Jones

## Using the Backward Design Process

- **Outcome:** What do you want students to know and be able to do at the end of the lesson?
- **Standard:** What Indiana Learning Standards would be most relevant?
- **Assessment:** What would students need to do as evidence to demonstrate they were able to accomplish the learning outcomes?
- **Activity:** What activity would students do to learn the knowledge and skills to generate the evidence?
