

Virginia Tech-Purdue Alumni Tailgate Event

On September 19, 2015, the Ag Alumni Departments from Purdue and Virginia Tech gathered at the Daniel Turf Center for a combined tailgate event. There were approximately 150 alumni in attendance for this joint tailgating event. Shoup's Catering catered a tailgate meal for alumni to enjoy before the big game at 3:30pm. Dean Akridge spoke to the crowd as well Dean Grant from Virginia Tech about the great opportunities happening on both campuses. It was a fun filled day before the game and great way for alumni to get back on campus to cheer on those Boilers!
