

CERTIFICATE OF DISTINCTION – NOMINATION FORM

Nomination deadline: October 20, 2024

Thank you for your interest in nominating an individual for the Certificate of Distinction Award, the highest award from the Purdue Agricultural Alumni Association. We are proud to have such a great history of successful and diverse alumni and friends all over the world, and we are excited to add the next year of honorees into the group.

Awards Criteria:

- Nominees sought for those who have contributed significantly to agriculture, forestry, or natural resources.
- Nominations must include professional accomplishments, activity or involvement in professional organizations, community service work, and other activities that make the nominee a credit to their profession.
- Nominees do not have to be a graduate of Purdue Agriculture or a resident of Indiana. Although nominees may be at any stage in their career, continued work over a period of years will better substantiate the contributions of the nominee. The nominee's accomplishments will be judge in totality as a body of work.

Time Line:

- October 20, 2024 Deadline for Nominations
- November/December Committee Evaluations
- December 9, 2024 Nominators notified if their candidate was selected, or if their submission will be kept on file for two more years.
- February 1, 2025 Awards presented at the Purdue Ag Alumni Fish Fry

Criteria Selection:

- Professional Accomplishments 45 points
- Professional Service Work 20 points
- Local Community Work 20 points
- State and National Activity 15 points

 - b. Briefly describe the impact the nominee’s leadership has had on these organizations and/or the local community.
- State and National Activities
 - a. Describe the areas in which they have achieved success on station and national scope, if they differ from those activities listed above.

Letter of recommendations or supporting documents are welcome in this section.

Section 4: Disclosure

Please disclose any potential or perceived, concerns or conflicts of interest that might arise with this nomination or the time line of this process that the committee should be aware of. Examples include but are not limited to: sense of urgency due to failing health, political nature, perceived unfair advantages due to connections associated with business or family etc.

Section 5: Further Consideration

If the nomination is not successful, the nominee will be considered for two more years before the nomination would need to be resubmitted. Would you like to be notified of suggestions/comments if your nomination is not successful after the first year?

Choose or circle one option:

- Yes
- No

Section 6: Nominator Information

The nominator will receive confirmation that their submission has been received. The nominator will receive word from the Purdue Ag Alumni Association in December after the selection committee makes their decision if their candidate was selected this year or if their submission will be kept on file for two more years. The nominee will only be notified if they are selected to receive the award, after the nominator is notified first.
