**INDIANA CCA CONFERENCE**

**The Indiana CCA Conference**

offers an excellent opportunity to earn continuing education units and network with other CCAs.

The two-day program is packed with presentations. There are four to five concurrent sessions each hour. Each day the morning sessions are repeated in the afternoon giving you plenty of opportunity to hear about topics of interest.

The program features leaders from Indiana agriculture, as well as speakers from other parts of the country. The program is designed to allow CCAs to earn up to 16 CEUs during the two days.

December 12-13, 2017

• Two-day format covers all four performance objectives for CCA
• Maximum flexibility—participants can follow one track or choose multiple tracks; attend one day or two; or most sessions offered twice.
• CCAs can earn up to 16 CEUs
• Each session equals 1 CEU
• Nationally recognized speakers
• All sessions in same area for easy rotation
• Tuesday Evening Reception
• Network with CCAs, university researchers, consultants and industry personnel
• Get a "jump" on winter meetings with timely information and data.
• CCHs for IN commercial pesticide applicators will be available in multiple categories. Find specific credit approvals by each session at www.isccs.edu

• Private applicator credit, PARP, available
• 2017 Specialty Sessions – Tuesday afternoon and Wednesday morning
• Early Conference check-in available Monday Evening from 6:00-9:00pm

Tuesday, December 12, 2017

Coffee, juice and light refreshments will be available at registration beginning at 7:00 am
