

Peer Tutor

The Peer Tutor will assist the Student Access, Transition and Success Programs (SATS) department by providing academic guidance and coaching that assists each student in achieving his/her academic potential. The Peer Tutor will develop skills in organization, verbal and written communication skills, computer and database experience, time management, and gain experience working in a dynamic and professional office. This position will be 8 hours per week from August 29th, 2011 to December 10th, 2011 and January 16th, 2011 to April 28th, 2011.

Compensation: \$8.50/hour

Directly supervised by: Sabrina Brown, Assistant Director of SATS

Specific duties include:

- Conduct weekly office hours dedicated to tutoring students in chemistry (111, 115/116, and/or 255/256), biology (110/111, 121/131, and/or 231/241), physics (172 and/or 220), and/or math (152, 153, 159, 161, 162, 165, 166, 223 and/or 224. (Additional courses are welcomed.)
- Promote academic success opportunities and updates to students.
- Coordinate review sessions for exams in gateway classes such as chemistry, biology, physics, and math.
- Manage data entry into the SATS tutoring database.
- Assist SATS professional staff with other tasks as assigned.
- Assist with other SATS programs as directed.
- Participate in ongoing training.

Qualifications:

- Candidate must have earned a B+ or higher in the courses he/she would like to tutor from the list above.
- Required cumulative minimum G.P.A. of 3.0.
- Work-study students are **strongly preferred**, but not required.

To apply, please email your resume, unofficial transcript, contact information for one reference and fill out the attached form (below) to sabrinab@purdue.edu. The deadline to submit all materials is Monday, August 17th by 5pm.

If you have any questions or concerns, please contact Sabrina Brown at 765-496-1269 or sabrinab@purdue.edu.
