Please feel free to stop by the office, call in, or send an e-mail if I may be of assistance in any way.

Help Sessions:
Help sessions will be scheduled prior to each exam and at other times as you request. Please ask for assistance either individually or as a group whenever it will be of value to you.

Course Requirements and Grading Policy:
Your semester grade will be based upon point accumulation from these sources:

Quizzes
On most Fridays during the semester you will receive a brief quiz (generally valued at 15 points or less). These quizzes will serve to help build your understanding of course content week by week as each topic is discussed.

You will be graded on the basis of 100 points from quizzes (115 quiz points available; points may be accumulated up to a total of 100 maximum over the semester.

Projects
A total of 50 points will be possible from a project assigned during the semester.

Exams
Three exams (valued at 100 points each) will be offered during the semester. The last of these exams will be offered during finals week. Each exam will cover approximately one-third of the course content.
Points Total | % of Total Possible
---|---
Pop Quizzes | 100* | 22.2
Exams | 300 | 66.7
Project | 50 | 11.1
Total Possible | 450 | 100

*115 points will be available on pop quizzes (you will be graded on the basis of 100 possible.)

Grade Assignment | Percent of Total Points
---|---
A | 90-100%
B | 80-89.9%
C | 70-79.9%
D | 60-69.9%
F | Below 60.0%

Makeup Policy for Quizzes and Exams
Students are expected to take quizzes and exams in class unless there is a medical or other substantive circumstance, which preludes attendance. If possible please let Dr. Schweitzer know in advance of such absence. Students are to make up missed quizzes or exams at 9:30 a.m. in 2-418 Lilly Hall on the following Monday unless other arrangements have been made with Dr. Schweitzer for an alternate time.

Website For Exam Files And Other Resources
Web access to past exams and keys is available under Course Websites on the Agronomy home page or at

https://ag.purdue.edu/agry/courses/Pages/AGRY_375_update.aspx

Links to a wide variety of helpful crop management web sites are also provided on this course web site.

Seating
A seating chart will be constructed to provide for the efficient return of quizzes and assignments in class. Please let Dr. Schweitzer know if you require specific seating (e.g. near the front for reasons of sight or hearing). I will be happy to accommodate your requests.

Text
The required text "Crop Production Systems" is available at the Purdue Memorial Union Copy Center (BoilerCopyMaker) located in room 186 at the northwest corner of the union building.

This text was written specifically for Agronomy 375 and should also serve as a useful professional field reference.
