What is something/are some things that the instructor does well, e.g., something you hope that the instructor will continue to do in the class in the future?

Faculty: Tuinstra, Mitchell R

2012
- He is very interested in helping students learn and succeed. He is very approachable.
- I will definitely take another one of his classes
- I loved the food quizzes. I really appreciate the time and effort put into them. I was also fascinated by your real-life examples and it was clear you had a lot of knowledge and experience with foods, crops, and cultures around the world.
- Continue cooking for us. I love the food. They're really good and that's probably the only time i would taste some of them (e.g. ugali).
  - Great instructor
  - Great instructor and loves what he does.

2011
- I thoroughly enjoyed the food days in this course. I like trying the different foods from around the world. Do not do away with the food days!
  - Explanations of the science behind the agriculture was very helpful and informative.
    - I liked the food labs!
  - Does a great job of getting the information to us.
  - Food labs were fun and the clicker question reviews for seeds.
    - Has good examples and teaches very well.
- The food labs were great! It was neat to see different foods from different cultures, definitely helped with the learning of the material in class. You are very knowledgeable with all the course material. Good job.
  - The food labs are cool and helps me remember where the crops are from.
