- You will need to present your **registration confirmation** (emailed to you upon registration) along with **this form** and a **photo ID**.
- Electronic devices are not allowed in the testing room.** This includes cell phones, laptops, tablets, music players, headphones, recording devices, electronic storage devices, translators, etc. Please do not bring these items, as it could jeopardize your test being scored for credit.
- Calculators** are allowed for some exams. Please review the requirements and restrictions for your particular exam. Links to specific departmental information are provided on the Testing Center website. <http://www.purdue.edu/testingcenter/>
- Chemistry exams:** To be eligible to take CHEM 112 you must have credit for CHEM 111. To be eligible to take CHEM 116, you must have credit for CHEM 115. If you take an exam for which you are ineligible, it will not be graded and you will not be allowed another attempt.
- Foreign language exams:** Students with previous college courses in French, German, Russian, Spanish, Latin, or Japanese are not eligible for advanced credit in these courses.
- If registered in a course for which the credit/placement exam is being taken, students are responsible for attending class and completing all work in that class until they find out if they have passed. If they pass, students should make sure the course is dropped.
