Martens Angus Farms

Job Description: Farm Hand – Future Herdsman

Martens Angus Farms is a seedstock operation that has been in the registered Angus business and selling bulls by private treaty for nearly 20 years. Our operation is expanding and looking for someone to help grow and develop our Angus herd as well as do fieldwork. For the right person this is an opportunity to grow with our operation from a farm hand into a herdsman role.

You can find out more about our operation at www.martensangus.com

Requirements:

Experience handling and working with cattle

Experience operating tractors and skidloader

Valid drivers license

Enthusiastic to learn and contribute to the day to day operation

Honest and trustworthy in how they conduct themselves on and off the farm

Dependable and hard working

Preferred, but not required:

Cow-calf operation experience

Successful competition of AI training

Beef Quality Assurance certified

Salary depending on candidates' experience/skills

This is a full time position during the week and a rotating weekend schedule would be expected with compensating time off.

2 weeks paid sick time/vacation.

Contact Jody Martens directly with questions or to express interest in the position. martensangus@gmail.com or 563-552-8890
