

PURDUE UNIVERSITY RESEARCH

Animal Welfare
Institute

Help make a difference for lab animals & the people who work with them.

Participate in a study to better understand the effects of training lab animal personnel.

We are looking for ALL to participate including caretakers, veterinarians, laboratory technicians, laboratory managers, trainers, principle investigators, and more!

STUDY TIMELINE

Now	Sept. 6	Sept. 13	Nov. 15
Eligibility Survey	*Online Course	^Hands-on & Survey #2	Final Survey

After eligibility, if you meet the necessary criteria, you will be randomized to 1 of 3 training groups:

1. *Online-only: ~30 minute online certificate course
2. *Online + ^Hands-on: above + 1 hour hands-on course
3. Waitlist control: online course after study period

In each 15 minute survey, you will answer questions about your attitudes, knowledge, & implementation.

Questions will be related to a rat handling technique called heterospecific play or “tickling”

Participation is voluntary

Must be 18 years old & working/supervising work with lab rats in the USA or Canada to participate
