88th IBEP BULL SALE SUMMARY

The need to shake the cobwebs off the coats, sweatshirts and or vests this past Saturday morning indicated fall weather had arrived in time for the 88th IBEP Performance Tested Bull Sale and Springville Feeder Auction Market Heifer and Cow Sale. Attendance was great, with 103 registered buyer cards (98 in person and 5 online/phone).

Prior to colonel Mike Berger making the initial taps of the gavel and calling for the initial bid Jerry Rusch presented Mr. Larry Southern with a plaque acknowledging Larry's long time dedication and leadership to the Springville Feeder Auction Market and IBEP Sales. We wish Larry all the best in full retirement from his auction duties.

The following cooperators received award banners for consigning bulls that excelled in respective areas in the 2021 Summer IBEP Test.

PURDUE UNIVERSITY

2021 Beef Quality Assurance Trainings

WHY: Beef Quality Assurance (BQA) training and certification is now required for beef producers selling “fed cattle” (finished beef steers and heifers coming out of a feedlot) that ultimately are processed by many of today’s major packers. BQA certification is good for 3 years and the program is free to producers either in the face-to-face or on-line formats.
