

INDIANA COUNTY FAIR POULTRY EXHIBITOR FORM

05-09-2013

Indiana was certified a United States Pullorum-Typhoid Clean State on December 9, 1981.
In order to maintain this classification, we must comply with 7 specific requirements.
One of these requirements pertains to exhibition poultry.

Therefore, **by law**, to exhibit, your poultry must have either:

- originated **directly** from a National Poultry Improvement Plan (NPIP) Pullorum-Typhoid certified clean flock **within one year**
- or
had a **negative** Pullorum-Typhoid test **within ninety (90) days prior to exhibition.**

I, the undersigned:

Exhibitor's Printed Name _____

Exhibitor's Signature _____

Address _____

City _____ State _____ Zip _____

Telephone _____ Date _____

hereby attest that the poultry exhibited by me in Indiana:

_____ have originated from an officially NPIP Pullorum-Typhoid Clean flock.

Flock\Hatchery Owner's Name _____

Address _____

City _____ State _____ Zip _____

Telephone _____

Fax _____

State NPIP Approval Number _____

***** and/or *****

_____ have been tested negative for Pullorum-Typhoid within ninety (90) days preceding exhibition.

Certified NPIP Blood Tester (signature)

Date of Test

Bird Owner: Complete this document and submit it to the County Fair Poultry Superintendent or other assigned representative. This documents acts as a 9-2 form.

Superintendent: The County Fair Poultry Superintendent keeps the Exhibitor Forms and 9-2 forms for his/her records. The Superintendent submits the "Superintendent's NPIP Report" to the Indiana State Poultry Association.
