

REEport Directions for Project Initiations

RETURNING USERS: Log in to NIFA's reporting portal at portal.nifa.usda.gov using your Purdue email address and the password you created when you activated your account.

The screenshot shows the NIFA Reporting Portal login page. The header includes the NIFA logo and the text "REPORTING PORTAL". Below the header, there is a login form with two input fields: "Email" and "Password", and a "Log In" button. A red box highlights the "Email" and "Password" fields. Below the login form, there are two links: "Register for the NIFA Leadership Management Dashboard (LMD)" and "Reset password". The main content area features the "REEport" logo and a background image of a field with red flowers.

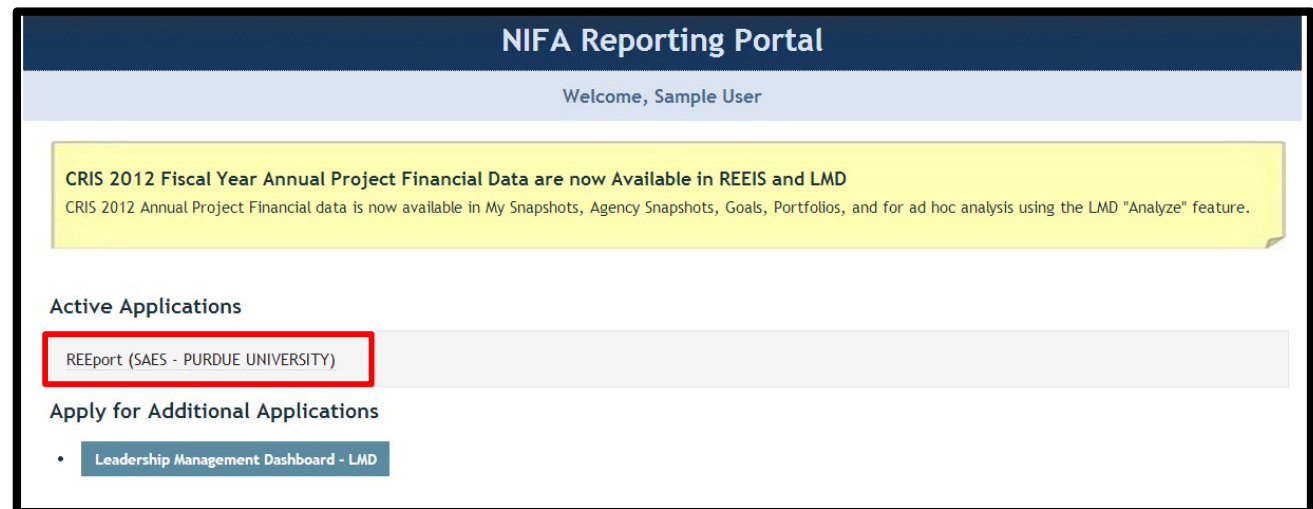

FIRST TIME USERS: If this is your first time using the NIFA Reporting Portal or you have forgotten your password, go to the website at portal.nifa.usda.gov, click on Reset Password, then follow the instructions on the next screen.

The screenshot shows the NIFA Reporting Portal login page. The header includes the NIFA logo and the text "REPORTING PORTAL". Below the header, there is a login form with two input fields: "Email" and "Password", and a "Log In" button. A red box highlights the "Reset password" link. Below the login form, there are two links: "Register for the NIFA Leadership Management Dashboard (LMD)" and "Reset password". The main content area features the "REEport" logo and a background image of a field with red flowers.

Please Note: If the system tells you that your email address is not recognized, please contact Julie Estrada at 494-6047 or estradaja@purdue.edu to troubleshoot the issue.

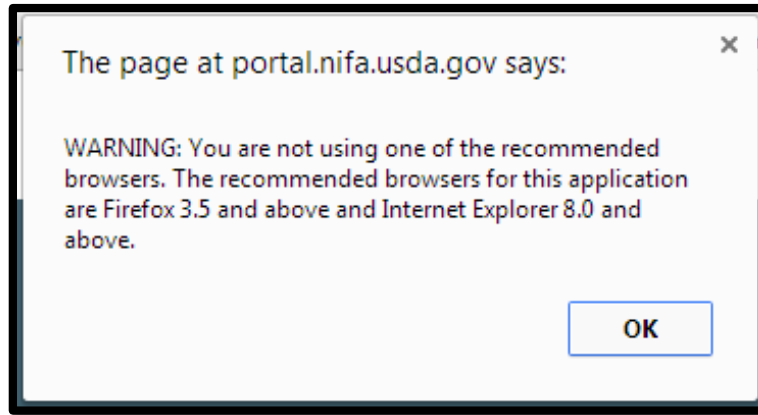

After you've logged on, click on REEport (SAES – PURDUE UNIVERSITY) under Active Applications near the bottom of the page.

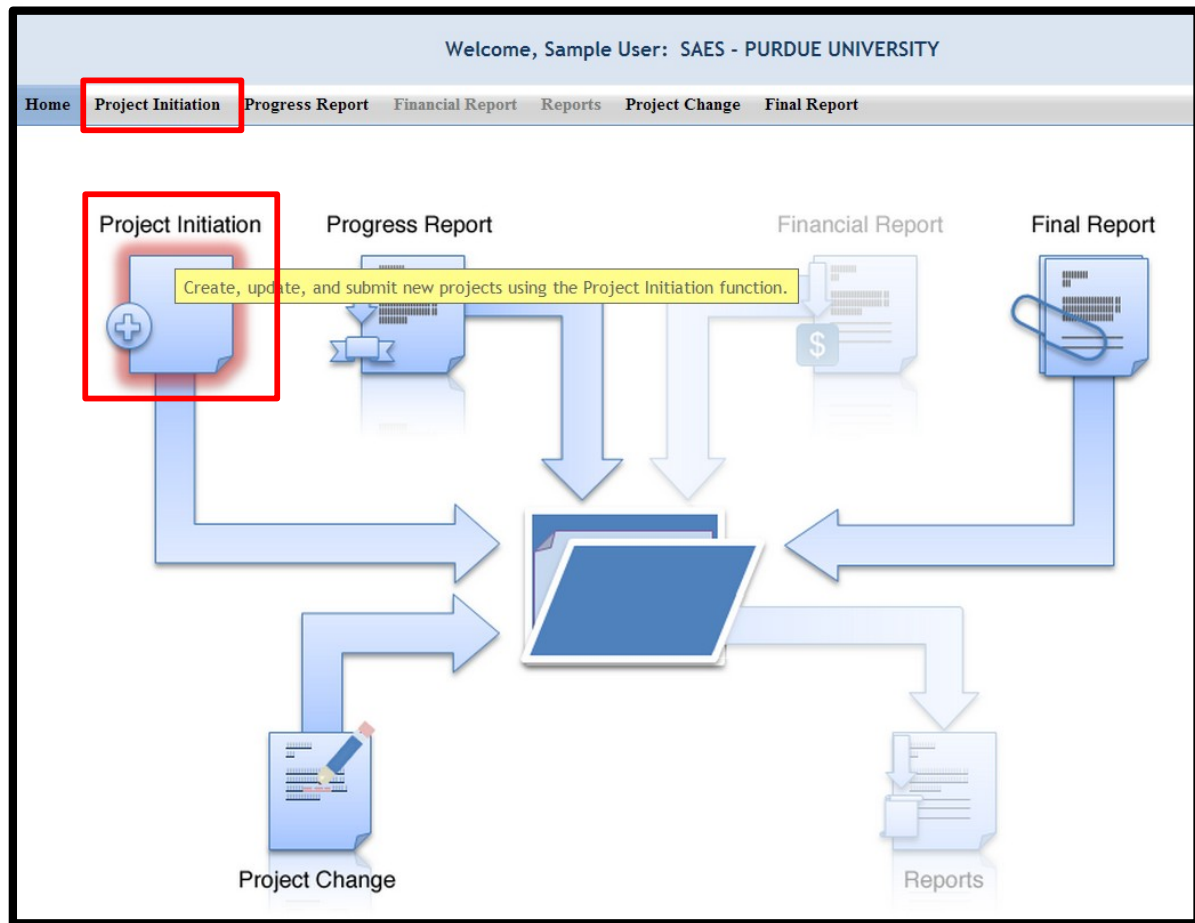

The screenshot shows the NIFA Reporting Portal dashboard for a logged-in user. The header includes the NIFA logo and the text "NIFA Reporting Portal". Below the header, there is a welcome message: "Welcome, Sample User". A yellow banner contains the text: "CRIS 2012 Fiscal Year Annual Project Financial Data are now Available in REEIS and LMD". Below the banner, there is a section titled "Active Applications" with a red box highlighting the "REEport (SAES - PURDUE UNIVERSITY)" application. Below this section, there is a section titled "Apply for Additional Applications" with a bullet point for "Leadership Management Dashboard - LMD".

Please Note: If you do not have REEport (SAES – PURDUE UNIVERSITY) under active applications or you only have REEport (PURDUE UNIVERSITY) without the SAES, please contact Julie Estrada at 494-6047 or estradaja@purdue.edu. You must use the SAES (State Agricultural Experiment Station) portal.

Chrome and Safari Users: You may get the following warning if you are using a browser other than Internet Explorer or Firefox, but REEport will still work with other browsers such as Chrome or Safari. Just click OK to continue.

Click on the Project Initiation icon or Project Initiation at the top menu bar.

The Track Project Initiations page will open.

[Do not enter anything in the search fields!](#)

Instead, Look in the Project(s) in Draft Stage folder (by clicking on the folder icon) to find your project.

Cover Page

The cover page collects identifying information for your project. Some of that information has been pre-filled for you by grants.gov. You should complete all other blank white sections of the cover page (*when applicable*).

The project number will come from ARGE. If you have not already been given a project number by ARGE, please contact Julie Estrada at estradaja@purdue.edu or 765-494-6047.

Click Next.

Please Note: All fields with a white background are editable, but fields with a gray background are not editable.

Participants

Estimated Project FTEs for The Project Duration: Please keep in mind that 1.0 is equivalent to 100% of your Purdue employment effort for one year. If any percent of your appointment is teaching or extension, you would not put 1.0 for the year when calculating your time. If you have a 20% research appointment, and all of your research time is dedicated to the research in this proposal, you would put 0.2 for one year. Adjust the numbers accordingly if your research time is split between two or more projects. For Co-PDs, grad and undergrad assistants, etc., just calculate their time in the same way. To help you decide which row to put them in, click on the blue question mark  in the REEport application.

Finally, once you have estimated the FTEs for one year, multiply the amount of effort calculated in each box by the number of years in the project.

HELPFUL HINTS:

Clicking on Previous or Next automatically saves your progress as you move forward or backward in the system. Clicking Save, saves your work on that page, while keeping you on that page.

Participants

Fields marked with an asterisk (*) are required for submission.

NOTE: Non-editable fields are received from grants.gov entry.

Goals, Products, Outcomes, Audience, Methods, And Summary

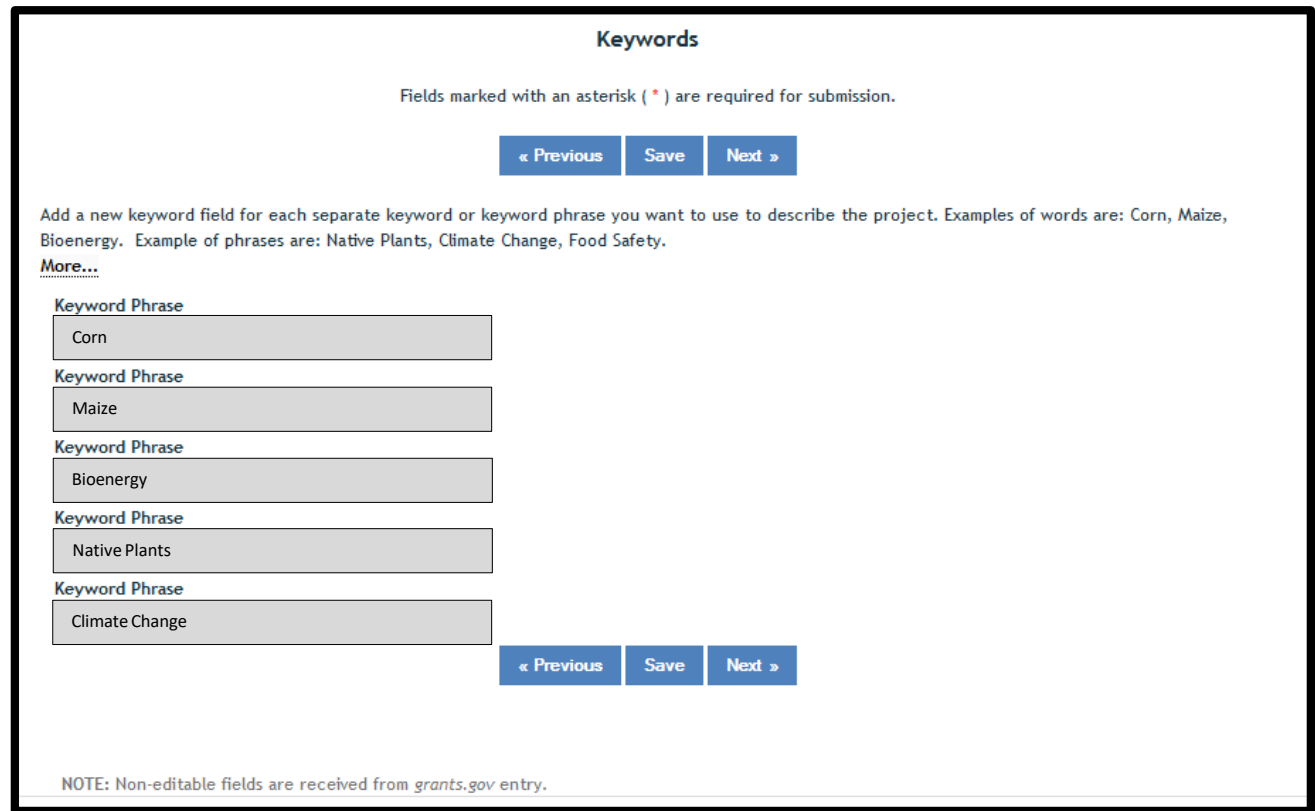

For the next several sections, you will just copy and paste text directly from your grant document(s) into these fields. There is an 8,000 character (including spaces and punctuation) limit for each text field in REEport. Therefore, if any of the sections from your project outline are longer than 8,000 characters, you will need to summarize the information.

Keywords

The keywords section of a grant project initiation cannot be edited in REEport. If there is an error (e.g., a missing keyword, a keyword you need to have removed, a typo, etc.) you must contact the Administrative Contact listed on your Award Face Sheet.

Click Next.

Classification

Forestry & Animal Health Component:

- If the funding source of this project is McIntire-Stennis or Animal Health, these fields will be prepopulated with "100%", respectively.
- If there is a portion of the project that is Forestry and/or Animal Health, you must enter the percentage in these fields. If no portion of this project supports animal health research, you must enter "0" for the percentage; you may not leave it blank.

Activities: Use your best guess on how your time on this project will be divided between Research, Extension, and Education. It is fine to put "0" in one or two of the fields, but all three fields together must total 100%.

KA, SOI, and FOS: Use the drop down menu to see the full list for each Knowledge Area, Subject of Investigation, and Field of Science. You may find it easier to search through your options by viewing the NIFA Classification Manual at <http://cris.nifa.usda.gov/manualviii.pdf>

If you need to add more rows, click the blue "+" button.

Submit for Review

If you have completed all required sections, your screen should look like the top picture.

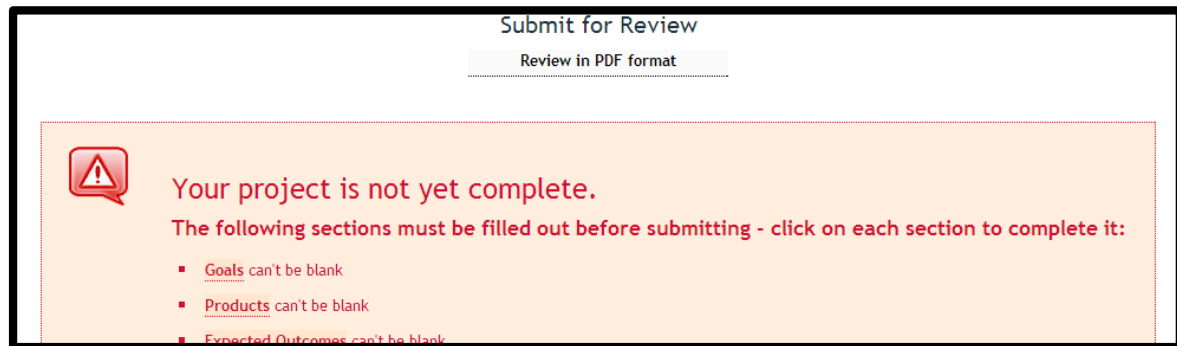

We recommend that you save a PDF copy for your records by clicking on Review in PDF Format and then saving a copy to your computer.

Click on Submit for Review.

The screenshot shows the 'Submit for Review' interface. At the top, there is a 'Submit for Review' header with a 'Review in PDF format' link highlighted by a red box. Below this is a 'Workflow Status' section with a yellow background, showing 'Initiation Stage' and 'Submission'. A message states: 'Clicking "Submit for Review" will move the project to the next review stage.' Below the message is a 'Comments' text area. At the bottom, there are two buttons: 'Submit for Review' (highlighted with a red box) and 'Save'.

Please Note: If your screen looks like the bottom picture, you must complete all of the sections that are listed before you'll be able to submit your project for review.

The screenshot shows the 'Submit for Review' interface with an error message. At the top, there is a 'Submit for Review' header with a 'Review in PDF format' link. Below this is a large orange error box with a warning icon. The message reads: 'Your project is not yet complete. The following sections must be filled out before submitting - click on each section to complete it:'. Below the message is a list of items:

- Goals can't be blank
- Products can't be blank
- Expected Outcomes can't be blank

Once you click Submit for Review, you will be redirected to the Track Project Initiations page.

There will be two indications that your project has been properly submitted for organizational level review.

1. The blue announcement text above Track Project Initiations should read, Project has been submitted for Organization review.
2. Your project should have moved from the Project(s) in Draft Stage folder to the Project(s) Pending Submission to NIFA folder.

IMPORTANT: You should email Julie Estrada at estradaja@purdue.edu to notify ARGE that you have submitted your project for review. ARGE will then review your Project Initiation and submit it to USDA-NIFA.

Thank you!

The screenshot shows the REEport website interface. At the top, there is a banner with the text "REEport" and "SAES - PURDUE UNIVERSITY". Below the banner is a navigation menu with links: Home, Project Initiation, Progress Report, Financial Report, Reports, Project Change, and Final Report. A blue announcement box contains the text "Project has been submitted for Organization review.", which is highlighted with a red box and a red "1." next to it. Below this is the "Track Project Initiations" section. A yellow message board box contains the text: "Message Board. If you need any assistance with completing your Project Initiation, please contact Christy Burden at emburden@purdue.edu or 765-494-6047." Below the message board is a search form with fields for Accession Number, Project Number, Proposal Number, Performing Department, and Project Director, along with Search and Clear Search buttons. Below the search form is a "Create a New Project" button and links for "Expand All Folders" and "Collapse All Folders". There are two folder sections: "0 Project(s) In Draft Stage" and "1 Project(s) Pending Submission to NIFA". The second folder is expanded, showing a table with project details. The table has columns: Accn #, Project, Grants.gov, Proposal #, Department, Proj. Dir, and Funding. The first row of data is highlighted with a red box and a red "2." next to it.

Accn #	Project	Grants.gov	Proposal #	Department	Proj. Dir	Funding	
(None)	IND055555	GRANT555555	2014-55555	Sample Title	Department Name	User, Sample	NON FOR... PDF
