

DM Rebuild – New 4-H Themes, and a Simplified Other Activities Screen

By Julie Huetteeman, Strategic Initiatives Coordinator

Sorry for the length of time it is taking to launch the new DM screens. We appreciate your patience.

In this article, we are sharing items that have been put in place to keep you in the loop until the screens are posted.

1) 4-H has identified new Program Area themes to replace the existing ones. Here are the new themes:

- 4-H Adult Volunteer Development
- 4-H Civic Engagement
- 4-H College & Career Readiness / Workforce Development
- 4-H General
- 4-H Healthy Living
- 4-H Science / STEM
- 4-H Leadership

These themes are used on the Learning Events and the Impact Statements screens to indicate the primary and secondary themes of the activity being reported.

2) Here is information about the Other Activities screen updates.

- There is a NEW feature: “I have no activities to report this month.”
 - This is for individuals to check if none of the list of activities have been completed during the month being reported. Just one click, then save.
- The new 7 NIFA Critical Issues are used to organize the activities to be entered.
 - 1 - Climate change, natural resources and the environment, and sustainable energy
 - 2 - Workforce development
 - 3 - Positive youth development and 4-H opportunities
 - 4 - Big data, Internet of Things, broadband access, digital literacy, inclusion, and innovation
 - 5 - Human, family, and community health
 - 6 - Food production, security, and safety
 - 7 - Urban agriculture and urban Extension
- Data entry has been simplified and reduced.
 - 1. # of Educational Consultations (in person, by phone, email or technology)
 - 2. # of Community Committees/Boards/Coalitions active this month
 - 3a. # of Popular press education articles (newspapers, newsletters, TV/Radio spots)
 - 3b. Popular Press – Youth (# of Indirect Contacts)
 - 3c. Popular Press – Adult (# of Indirect Contacts)
 - 4a. Professional – Extension Publications
 - 4b. Professional – Research Publications
 - 5. # of Indirect Contacts via technology (posted, static, educational flyers or publications)
