

Grazing 102

June 23 & 24, 2017

Southern Indiana Purdue Ag Center, Dubois, IN

What is Grazing 102?

Grazing 102 is a program designed to help producers understand important concepts needed to make a management-intensive grazing program work for their own operation.

What will be discussed in Grazing 102?

Understanding Plant Growth and Development, Fencing Systems, Soil Fertility, Forage Identification and Use, Watering Systems, Forage Economics, Extending the Grazing Season and Determining Forage Needs. There will also be hands-on activities, pasture walks and field tours.

What is the location of Grazing 102?

Grazing 102 will be held at the Southern Indiana Purdue Agricultural Center (SIPAC), located at 11371 East Purdue Farm Road, Dubois, IN 47527.

What are the program times of Grazing 102?

Friday, June 23, 1:00 PM – 6:00 PM EDT and Saturday, June 24, 8:00 AM – 4:30 PM EDT

What is the cost of attending Grazing 102?

\$50 will cover the cost of reference materials, speaker notes, management tools, drinks, snacks and lunch on the second day. Additional individuals from the same operation may attend for \$25, but will not receive reference materials or management tools.
