Pinney Purdue Crop Diagnostic Training
Wednesday, September 9, 2015
Pinney Purdue Ag Center, 11402 S. County Line Road, Wanatah, IN
(All times are Central Daylight Savings Time)

The Pinney Purdue Diagnostic Training will provide a “hands-on” approach for teaching the art and science of accurately diagnosing crop problems for Northwest Indiana. The sessions should help those who work with field crops to fine-tune their season-long problem trouble-shooting skills and evaluate new and alternative management strategies. These sessions will provide pertinent information on interacting factors (nutrient, pest, and environmental stresses) that impact corn and soybean growth and development.

9:00 am Registration, Refreshments and Welcome
Except for Session 5, morning and afternoon sessions will be repeated and participants will rotate to the other morning or afternoon session after completion.

9:30 am Session 1: Late Season and Harvest Corn Issues (Bob Nielsen) or Late Season and Harvest Soybean Issues (Shaun Casteel)

10:30 am Break/Travel Time

10:45 am Session 2: Late Season and Harvest Soybean Issues (Shaun Casteel) or Late Season and Harvest Corn Issues (Bob Nielsen)

11:45 am Lunch

12:15 pm Session 3: Disease Issues in Corn and Soybeans (Kiersten Wise) or Weed Control and Herbicide Issues (Bill Johnson)

1:15 pm Break/Travel Time

1:30 pm Session 4: Weed Control and Herbicide Issues (Bill Johnson) or Disease Issues in Corn and Soybeans (Kiersten Wise)

2:30 pm Break/Travel Time

2:45 pm Session 5: Seed Treatments for Disease Control (Kiersten Wise)  (Choose 1 session) Cover Crops Establishment (Area X ANR Educators)

3:45 pm CCA CEU and CCH Sign-Up

Registration: $50 and includes Cover Crops Field Guide, lunch and other information. Please complete and send registration by Wednesday, September 2, to Purdue Extension-La Porte County, 2857 W. State Road 2, Suite A, La Porte, IN 46350

Application has been made for workshop participants to receive Commercial Applicator CCHs and/or Certified Crop Adviser CEUs

Topics covered at the workshop will determine the categories and hours awarded.

*The CEUs are only applicable to the ASA/CCA Continuing Education Program.

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran.

Purdue University is an Affirmative Action institution. This material may be available in alternative formats.
