

FARM BUSINESS INTERNSHIP

**GAIN ON-FARM BUSINESS EXPERIENCE THROUGH AN
INTERNSHIP ON AN INDIANA FARM IN SUMMER 2019.**

This program matches interns with progressive commercial farming operations across the state. Interns learn about Midwestern farm business operations and gain valuable work experience. Interns also work on a summer-long business-focused project jointly determined by the farm manager and a Purdue faculty member.

In early fall 2019, interns make presentations about their internship experiences.

Learn more about this internship opportunity by emailing Dr. James Mintert (jmintert@purdue.edu) by October 31, 2018. Please attach your resume.
