

Senior Spotlight 2021-22

SADIE SCHMITT

Stepped out of her comfort zone and took advantage of the many opportunities Purdue has to offer!

Hometown: Elberfeld, Indiana

Major & Concentration: Agribusiness with a concentration in Finance

Minors or Certificates: Minor in Human Resource Management and in Farm Management

Why did you come to Purdue: I visited Purdue several times with FFA in high school and fell in love. I have my high school Ag teacher to thank for that! I also choose Purdue because of the reputation the College of Ag has, it's hard to beat!!

Favorite Purdue tradition: Getting Den Pops on Fridays!

Top three influences at Purdue(people, ideas, experiences):

1. Studying abroad
2. The friends that I've gained
3. Ryan Musselman

Top five memories of your time at Purdue:

1. Going to local nursing homes with the Adopt a Grandparent Club!
2. Traveling to Costa Rica on a study abroad program
3. Beating Ohio State!!
4. Touring many Ag Businesses with AGECE 296
5. Making lifelong friends

Places you have been as a Purdue student:

Costa Rica on a study abroad program!

Favorite club/organization: Adopt a Grandparent Club

Favorite Student-led event/initiative: Purdue Ag Week!

Favorite Purdue event: Basketball games

Favorite Social Activity: Any Purdue Athletic Events. I love the atmosphere that's created at the games!

Favorite place to study: Krannert

Favorite spot on campus: Loeb Fountain! It's so relaxing.

Favorite thing about CoA: The community! Everyone is so close it feels like a family.

Favorite thing about your major: The opportunities that it allows me.

Favorite class: AGECE 296 Discovering Agribusiness

Favorite professor: Dr. White

Cooler project: My project for my learning community in AGEC 296!

Three biggest accomplishments:

- Making the Dean's List several semesters
- My internship with Purdue Extension
- The scholarships that I have been blessed to receive!!

Things on your resume not listed above:

I am an International Agriculture Study Abroad Ambassador!

Where do you want to end up: I want to end up where my family is

Advice for underclassman: Study abroad any and every chance that you get. It is a life changing experience that I am forever grateful for!!

Biggest takeaway from Purdue: My biggest takeaway is that you get out what you put in. Purdue has so many opportunities available to students, but you have to apply yourself and take advantage of what Purdue has to offer because it is all up to you!
