

Senior Spotlight 2021-22

TAYLOR GOSS

Goss reflects on her time as a Boilermaker and encourages others to enjoy every moment

Hometown: Cloverdale, IN

Major & Concentration: Ag Sales and Marketing

Minors or Certificates: Minor Crop Sciences

Why did you come to Purdue: Growing up a Boilermaker fan, it only made sense to attend the university to obtain a high quality education in agriculture at an affordable cost.

Favorite Purdue tradition: Fountain Runs

Top three influences at Purdue(people, ideas, experiences):

1. The Cooperative Community - I had a great experience living in Shoemaker Cooperative and have made a lot of friends through being involved in my house and in the greater Cooperative Community
2. Studying Abroad in Haiti
3. Involvement in student organizations

Top five memories of your time at Purdue:

1. My first fountain run at Purdue with PC' 18
2. Purdue tailgates and football games (specifically when Purdue beat Ohio State)
3. Spontaneous trips to get Den Pops
4. All of the fun during Ag Week
5. Going to Haiti with Dr. Russell and other peers

Places you have been as a Purdue student:

- Study Abroad-Cap Haitian, Haiti
- PCC Spring Break Service Trip- Abingdon, Virginia
- EMV Sophomore Leadership Camp
- Internships- Explored Wisconsin, Illinois, and Indiana

Favorite club/organization: Shoemaker Cooperative

Favorite Student-led event/initiative: Ag Week

Favorite Purdue event: College of Agriculture Career Fair in the fall

Favorite Social Activity: Ice Cream Social

Favorite place to study: HICKS

Favorite spot on campus: Bell Tower and Fountains

Favorite thing about CoA: All the people and how welcoming and caring everyone is!!

Favorite thing about your major: I love how what I am learning is so applicable for my future career.

Favorite class: AGEC 331- Principles of Selling in Agricultural Business

Favorite professor: AGEC 331- Principles of Selling in Agricultural Business

Coollest project: Working on our presentation to present to the students in Haiti about agriculture here in America, to help them be better stewards of their land.

Three biggest accomplishments:

1. Developing friendships and memories and that will last me a lifetime
2. Obtaining three internships
3. Achieving good grade while working through school

Where do you want to end up: Working anywhere in Agriculture Sales

Advice for underclassman: Step out of your comfort zone and meet new people and go to different events on campus. Get your homework and school work done first, build relationships with different people and make time for what you love.

Biggest takeaway from Purdue: Your college experience is what you make it. Everyone has a different experience while at Purdue, and your experience will depend on what you do.
