

COVID-19's Effect on Your Business

The April results are in – only 35% of business operations have been unchanged in the wake of the pandemic. A small percentage have been open with a new structure (18%) and an even smaller percentage are closed with the intent of reopening (12%). Thirty-five percent of businesses have been open less hours than normal due to the pandemic. We will continue to post resources and webinars for farm, family, and small businesses to our [PIFB Homepage](#) and our [Upcoming Events page](#) as they become available.
