

Does Your Business Have an Emergency Fund?

The July results are in – about 60% of family businesses did not have an emergency fund for the business. The other 40% of businesses had an emergency fund that would last them between 3 months and a year. Having some emergency funds set aside can bolster businesses against some business disruptions. August’s question of the month focuses on having a contingency plan. As always, we will continue to post resources and webinars for farm, family, and small businesses to our [PIFB Homepage](#) and our [Upcoming Events page](#) as they become available.
