

Agronomy Ambassador Application

To be considered for the Agronomy Ambassador program, you must:

- Be a full-time undergraduate student in Agronomy
- Have at least two semesters remaining
- Have a cumulative GPA of 2.5

To apply, turn in:

- This application
- Your resume
- A weekly schedule

Please fill out the fields below, and email the completed form to [Sherry Fulk-Bringman](#), or bring a printed completed form and your other materials to the Soil Resource Center (LILY 3-419).

Applications are due by 5:00pm on Friday, March 6th, 2026.

If you are selected for an interview, you will then need to prepare a 5-minute presentation about what you can contribute to the outreach and image of the Department of Agronomy.

We will begin conducting interviews the week of March 9th.
