

2024 DISTINGUISHED ANIMAL SCIENCES ALUMNI AWARDS

Criteria for Selection

Nominees will have earned a B.S., M.S. or Ph.D. degree in Animal Sciences from Purdue University. Nominations for the three **Distinguished Animal Sciences Alumni Awards** will be based on years since receiving the **first** degree from the department and will include **Early Career** (2008-2018), **Mid-Career** (1992-2007) and **Lifetime Award** (1991 and before).

Successful nominees will have demonstrated excellence in industry, academia, governmental service, or other endeavors as exemplified by leadership, community service and professional accomplishments.

Nominations

Nominations must be submitted by January 8, 2024 to Marion Welsh. The nomination packet should include a completed nomination form, the nominee's vita or resume, and a typed, one-page description of the nominee's accomplishments. This description should include how the nominee contributed significantly to industry, academia, governmental service, or other endeavors as exemplified by leadership, community service and professional accomplishments.

A list of previous winners and an electronic copy of the nomination form can be found on the web at <http://www.ag.purdue.edu/ansc/Pages/Alumni.aspx>.

Nominations may be made by any person or group affiliated with the Department of Animal Sciences, Purdue University or the animal science industry. Nominations must follow the guidelines stated above.

Presentation of Awards

Awards will be presented annually at the Animal Sciences Distinguished Alumni Awards Reception and Dinner. The award will include a plaque and an appropriate gift presented to the recipient. Recognition of awardees will also be placed on the perpetual Departmental Outstanding Alumni plaque.
