Education

Purdue University**,** West Lafayette, IN May 2023
Bachelor of Science: Animal Sciences, Concentration in Pre-Veterinary Medicine
Minors: Biological Sciences and Farm Management
Certificate: Collaborative Leadership

Animal and Veterinary Work Experience

Veterinary Assistant, Perry County Animal Hospital, Perry, GA December 2022 –January 2023
• Practiced safe restraint techniques on small animals of various temperaments to ensure veterinarian and client safety
• Observed the veterinarian successfully facilitate client interactions with educational communication about diagnoses
• Practiced drawing blood, preparing vaccines, interpreting radiographs/fecals, and explained surgery techniques
• Worked with the surgical team to prepare patients, assisted the veterinarian during surgery, and monitored patient recovery

Junior Vet Academy Lead Overnight Counselor, 1870 Farm, Chapel Hill, NC May 2022-August 2022
• Overseer of overnight childcare; with my certification, was responsible for administering medicine
• Supervised and engaged with campers to facilitate safe camper-animal interactions and promoted ethical animal care practices
• Assisted in delivering veterinary curriculum with equine, bovine, camelid, canine, feline, lagomorphic, and avian species
• Practiced animal restraint, demonstrated injections, phlebotomy and suture skills, and taught livestock and equine wellness

Veterinary Shadow, Princeton Veterinary Hospital, Princeton, IN June 2020 –August 2022
• Improved restraint techniques for large and small animals to guarantee safety with the guidance from experienced vet staff
• Observed veterinarians effectively convey complex or grim diagnoses to clients with clarity and compassion
• Practiced drawing up vaccines, clipping nails, interpreting radiographs/fecals, and relaying information to clients during exams
• Worked with the surgical team to prepare patients, assisted the veterinarian during surgery, and monitored patient recovery

Kennel Technician, VCA Paw Prints Animal Hospital, West Lafayette, IN November 2020–May 2021
• Responsible for the care of up to 20 boarded dogs and cats including feeding, exercising, and bathing
• Became proficient in hospital sanitation and disinfectant procedures to maintain a clean environment
• Formulated meals specific to dietary needs of boarders and administered medications per Doctors' instructions

Animal Caretaker and Farm Hand, Hauser Family Farm, Bloomington, IN January 2007- Present
• Learned farm animal husbandry techniques by caring and handling draft horses, contesting horses, cattle, goats, and poultry
• Practiced safe operation of machinery and farm equipment while harvesting hay, managing pasture, and feeding livestock
• Independently raised dairy calves from a local dairy from bucket calves to be shown as feeder steers and finished for harvest
• Trained horses in performance disciplines, and formulated diets for calves to ensure weight gain be exhibited at my 4-H Fair

Livestock Research Experience

Purdue University, West Lafayette, IN

- **Beef Heifer Pre-Synchronization Study,** Dr. Griffin Nichols April 2022-Present
- **Piglet Fetal GTT Study,** Dr. Kara Stewart August 2021-December 2021
- **Equine Respiratory Disease Research Program,** Dr. Laurent Couteil April 2021-Aug 2021
- **Piglet Survivability Study**, Dr. Kara Stewart June 2021

Leadership Activities

Purdue University, West Lafayette, IN

- **Animal Sciences Ambassadors**, SpringFest Committee Chair April 2021-May 2023
- **Purdue Dairy Club,** Treasurer, Member April 2021-May 2023
- **Purdue Collegiate Cattlemen's Club,** Member August 2020-May 2023

Commented [KJJ1]: Bolded, centered, two font sizes larger than the rest of the text

Commented [KJJ2]: Email address separated by a line | phone number | Hometown/State

Commented [KJJ3]: Section headers bolded, with a bottom border inserted

Commented [KJJ4]: Education section should always be formatted exactly like this; neat and clean and at the top as it's the most relevant.

Commented [KJJ5]: If you have no paid work experience, you might put "Animal Experience" or "Relevant Experience"

Commented [KJJ6]: Job title: Bolded and italicized
Company: Normal, proper grammar/capitalization
Location: City, State abbreviation

Commented [KJJ7]: All dates should be tabbed/spaced to the right as far as they'll go with most recent at the top.

Commented [KJJ8]: 2 bullet points at MINIMUM

Commented [KJJ9]: Always leave one line of space between sections

Commented [KJJ10]: Research is very important, so this student included it above their leadership experience

Commented [KJJ11]: Name of project: Bolded
Name of professor: Unbolded
Dates of study: Right aligned, most recent to the top

Commented [KJJ12]: Other section ideas:
Skills and Certifications
Awards

Commented [KJJ13]: If you have leftover space, you could include bullet points describing what you did in your leadership or research experiences.
