

Purdue Ag. Centers

Northeast Purdue Ag Center (NEPAC) is one of 8 Purdue Agricultural Centers across Indiana. Their purpose is to provide hands-on research opportunities for specialists on campus to discover new information in the community so local food and fiber production can be improved and environmental quality maintained and improved.

DIRECTIONS TO NEPAC

4821 E 400 S, Columbia City, Whitley County

From State Road 9, about 3 miles south of Columbia City or 2 miles north of St. Rd. 14, take County Road 400 S to the east. NEPAC is 4 miles east on the north side.

Purdue Extension Mission Statement

We deliver practical, research based information that transforms lives and livelihoods.

Crop Diagnostic Workshop at NEPAC

June 29, 2023
8:30 am - 3:00 pm

260-358-4826

AGENDA

June 29, 2023

All times are EST

8:30 am

Registration

9:00 am

“Considerations for Efficient Nutrient Management”
Jim Camberato —Purdue Agronomy Dept.

9:55 am

“Corn and Soybean Pest Updates”
John Obermeyer—Purdue Entomology Dept.

10:45 am

Break

11:00 am

“Corn Early-Season Growth, Development, and Diagnostics”
Dan Quinn—Purdue Agronomy Dept.

11:50 pm

Lunch

12:30 pm

“Jumpstarting Soybeans: The Latest Research”
Shaun Casteel - Purdue Agronomy Dept.

1:30 pm

“2023 Pesticide Regulatory Update”
James Wolff & John Woodmansee,
Purdue Extension Educators

2:10 pm

“Manure and Fertilizer Regulations for Indiana”
Ed Farris—Purdue Extension Educator

2:50 pm

Evaluation and Wrap-up

The Northeast Purdue Agricultural Center has many demonstrations and research projects being conducted on this working farm. This program has been coordinated by the Agriculture & Natural Resource Educators in NE Indiana.

Credits applied for:

- **Commercial Category 1 & 14, RT Credits (CCHs)**
- **Crop Advisor Credits (CEUs)**
- **Private Applicator Recertification Program (PARP) credits—There is no cost thanks to sponsorship of IN Soybean Alliance and IN Corn Marketing Council**

We reserve the right to cancel the program with inadequate pre-registration (less than 25). Every effort will be made to contact participants and a refund will be given should the program be cancelled.

If you require auxiliary aids and services due to a disability or have a special food need, please contact us by June 23, 2023 at 260-358-4826

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue University is an Affirmative Action institution. This material may be available in alternative formats.

Cost for workshop is \$80 per person.

Registration for this program is online at <https://cvent.me/ILQ3oZ>

Payment may be made by check or credit card.

Each person attending the workshop must first register online (can be done by an appointed person).

An e-mail will be sent to confirm

**Register online by
June 23, 2023**
