

Southwest Purdue Ag Center

Watermelon Variety Evaluation Open-House

4369 N. Purdue Road, Vincennes, IN 47591

Wednesday, July 24, 2024

10:00 am – 1:00 pm EST

- This will be a self-guided tour for melon variety trials conducted at the Southwest Purdue Ag Center in 2024.
- The trials include a standard-sized seedless watermelon variety trial, a personal-sized seedless watermelon variety trial, and a seeded watermelon variety trial.
- Extension Specialists Dr. Wenjing Guan and Dr. César Escalante will be onsite to answer questions.
- The event is free, and open to public.
- Questions? Please contact Wenjing Guan (guan40@purdue.edu)
