

The Big Debate
Pre/Post Survey
Answer Key

1. What are two reasons for hellbender decline?
Persecution by humans Mudpuppies **Reduction in population size**
2. Researchers must compete for agency funding by writing _____.
Grant proposals Journal articles Case studies
3. Two reasons for hellbender disease and injury include _____ and _____.
Recreation **Introduction of new species** Management
4. Habitat fragmentation and reduced water quality are sources of _____.
Habitat destruction A healthy ecosystem New breeding populations
5. _____ and _____ can lead to habitat fragmentation.
Air pollution **Mining** **Dams**
6. I feel _____ ready to learn.
Not **Sort of** **Very – no right answer**

The Big Debate Pre/Post Survey

Number: _____ **Pre or Post** _____

1. What are two reasons for hellbender decline?

Persecution by humans Mudpuppies Reduction in population size

2. Researchers must compete for agency funding by writing _____.

Grant proposals Journal articles Case studies

3. Two reasons for hellbender disease and injury include _____ and _____.

Recreation Introduction of new species Management

4. Habitat fragmentation and reduced water quality are sources of _____.

Habitat destruction A healthy ecosystem New breeding populations

5. _____ and _____ can lead to habitat fragmentation.

Air pollution Mining Dams

6. I feel _____ ready to learn.

Not Sort of Very
