Pest Management and Lawn Maintenance: A Workshop for Lawncare Professionals

October 10-11, 2023

About the Workshop

This hands-on program will include instruction on Indiana's pesticide applicator licensing requirements, basic turf maintenance, turf pest management programs, calibration and use of turf pesticide application equipment, and rules and regulations specific to lawncare applicators.

The program will begin at 8:30 a.m. (EST) and end at approximately 4:00 p.m. on both days, in the William H. Daniel Turfgrass Research and Diagnostic Center. The center is located north of the Purdue West Lafayette campus at 1340 Cherry Lane. This workshop is part of initial certification. Recertification credits (CCH's) will NOT be awarded.

Fee

The registration fee is \$200. **Seating is limited.** Personal or company checks, money orders, purchase orders, MasterCard, VISA, or Discover will be accepted. Cancellation must be made 5 days in advance of the program to receive a refund. A fee **will be charged** to cancel a registration. Refunds of registration fee will **NOT** be given if the workshop was previously attended.

Purdue Pesticide Programs reserves the right to cancel this program at any time. Purdue University is not responsible for costs incurred due to cancellation.

IMPORTANT: Use only one form per registrant.
You may photocopy this form as needed.

Exams

Category 3b certification requires passing 2 exams, the pesticide core and Category 3b exams, in addition to this workshop. The purpose of this workshop is **NOT** exam preparation. **No** certification exams will be offered at the workshop.

People needing to take the certification exams should go to the Metro Institute to register for exams at a state-wide location.
