Category 7b—Termite Control Commercial Pesticide Applicator Workshop

William Daniel Turf Center, 1340 Cherry Lane, West Lafayette, IN

September 18-19-2024

About the Workshop

This **mandatory attendance**, hands-on program will include instruction on biology of wood destroying pests, elements of construction, inspection tips and graph preparation, inspection forms, equipment and calibration, the Indiana Pesticide Use and Application Law, and preconstruction treatment. A Category 7b training manual is included with registration. This workshop is a part of initial certification. Recertification credits (CCH's) are **NOT** awarded.

The program will begin at 8:30 a.m. (EST) and end at approximately 5:00 p.m. on both days, in the William H. Daniel Turfgrass Research and Diagnostic Center. The center is located north of the Purdue West Lafayette campus at 1340 Cherry Lane.

Fee

The registration fee is \$200. **Seating is limited.** Personal or company checks, money orders, purchase orders, MasterCard, VISA, or Discover will be accepted. Cancellation must be made 5 days in advance of the program to receive a refund. A fee **will be charged** to cancel a registration. The mandatory attendance to this workshop is required one time. Refunds of registration fee will **NOT** be given if the workshop was previously attended.

Purdue Pesticide Programs reserves the right to cancel this program at any time. Purdue University is not responsible for costs incurred due to cancellation.
