

# ON-FARM READINESS

## SCHEDULE AN ON-FARM READINESS REVIEW TODAY

The Indiana Department of Health has partnered with Purdue University Extension and the Indiana State Department of Agriculture to provide **free** farm reviews to growers.

### Confidential

All reviews are confidential. Paperwork, notes, and photos do not leave the farm.

### Personalized

Produce-safety experts will walk through your operation, step-by-step, and recommend inexpensive ways to meet FSMA Produce Safety Rule requirements.

### Voluntary

On-Farm Readiness Reviews are not required, but are recommended in order to prepare you for a FSMA inspection.
