Activities and Other Info

We have a variety of contests and activities planned for our conclave weekend. Contests include a lab practical, obstacle course, radio telemetry, team competition, quiz bowl, game calling, and an art/photography exhibition. For more information on these contests, see [Contest Descriptions](#).

We're still working on finalizing speakers and workshops. Currently, we're planning to have workshops on specimen wing preparation and birdhouse building. Planned speakers include the Indiana DNR K9 unit, researchers from Purdue, and more.

Packing List

Sleeping bag, pillow, toiletry items, towel/washcloth, binoculars (optional)

In order for us to finalize our schedule, we need to know how many people are attending and competing in our contests. Please fill out the attached form and mail your checks by **March 1st** so that we can report numbers to our host location.

Thank you all for your interest in the NCS Conclave! If you have any questions, don't hesitate to reach out to me at dudley16@purdue.edu. Also, check out our [conclave website](#) for the most up-to-date information as we get closer to the event.
