

Aquatic Control Inc. is a privately owned lake and pond management company with a main office in Seymour, Indiana and satellite offices in Valparaiso, Indiana; Evansville, Indiana; St. Louis, Missouri; Elizabethtown, Kentucky; Jackson, Tennessee; Knoxville, Kentucky; Williamsville, Illinois, and Ankeny, Iowa. Aquatic Control has been in the lake and pond management business for over 59 years. Our staff consists of fisheries biologists and technicians with a combined 500+ years of experience in aquatic vegetation management, fisheries management, product sales, and aquatic ecosystem management. We are hiring a full-time entry-level Aquatic Biologist that will be stationed at our Valparaiso, Indiana.

Duties to include the following:

- Primary duty will be the application of EPA registered aquatic herbicides and algacides
- Installation and maintenance of aerators, fountains, and compressed air systems
- Aquatic plant surveys
- Writing vegetation management plans
- Performing fish surveys
- Attend industry related training events and conferences
- Heavy field work from March through October
- General maintenance of trucks, boats, equipment, and grounds
- Speaking at pond clinics, trade shows, and public meetings

Minimum Requirements:

- Bachelor's degree in fisheries/aquatic science, agriculture, or a natural resources related field
- Experience with aquatic vegetation identification
- GPS and GIS experience
- Must pass mandatory drug test and DOT physical prior to start date
- Basic mechanical ability (experience in outboard motor operation is a plus)
- Ability to work in an outdoor environment (physical labor required)
- Ability to work an average of 50 hours per week
- Ability to lift 50+ lbs.

Compensation:

- Salaried position for candidates with a bachelor's degree
- 401K with company match on first 4% after 1 year of employment
- Company health insurance plan after 90 days
- Earned Time Off after 90 days
- Company Cell Phone

Application Deadline: January 31, 2025
