**SUMMARY:**

Primary tasks will be monitoring wildlife behavior and evaluate hazards posed by migratory birds and other wildlife on an airport environment. Wildlife damage management activities will use an integrated pest management (IPM) approach including lethal and nonlethal control options.

**DUTIES:**

Responsible for organizing and conducting direct control operations to reduce wildlife damage within a geographical area or technical/subject area of program involvement.

Inspects and surveys areas and, as necessary, will revise existing WDM programs in close consultation with higher-level management.

Uses WDM tools/devices which may include some or all of the following depending on need in assigned area: firearms; foothold, body-grip, cage traps; foot snares; neck snares; chemical control methods; pyrotechnics; noise cannons/explosives; drop nets; rocket/cannon nets; various other scaring devices.

Assists Wildlife Biologists by correctly identifying current, and forecasting future damage, problems and relating them to the damage-causing species.

Independently determines and selects the most effective means of control for individual situations.

Modifies or adapts established damage control techniques as necessary to meet local conditions and address specific environmental, economic or political considerations.

Assists in the negotiation of cooperative service agreements with landowners, lessees, or administrators to accomplish the goals outlined for the WS program.

Enters data into established WDM database/system of record. Uses data to prepare and submit routine reports regarding daily, weekly or monthly activities, observations, and events.

Assists in conducting demonstrations and training for others, including other cooperators or other interested groups, on WDM methods, procedures, and program objectives.

Complies with restrictions and mitigation measures established through consultation with relevant Federal and State agencies.

Carries out duties in accordance with program decisions made in compliance with the National Environmental Policy Act (NEPA) and Endangered Species Act (ESA) under guidance and oversight by supervisor.

Performs other duties, as required.

**MINIMUM ELIGIBILITY REQUIREMENTS:**

To qualify, applicants **MUST** meet all minimum qualification requirements, except Medical Requirements, by the closing date of the announcement.

**QUALIFICATIONS REQUIRED:**

Specialized experience at the GS-5 grade level:

Applicants must have one year of specialized experience (equivalent to the GS-4 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrate experience in:

- Identifying North American wildlife species.
- Experience in the principles of wildlife ecology and management in support of a wildlife management program.
- Experience in preparing baits and setting traps in accordance with standard procedures.
- Experience keeping routine and basic records of daily activities and observations.

***OR***

Successful completion of a full 4-year course of study leading to a bachelor's degree with major study, or at least 24 semester hours, in any combination of scientific or technical courses such as biology, chemistry, entomology, animal husbandry, botany, physics, agriculture, or mathematics, with at least 6 semester hours in wildlife.

**For the GS-6 Grade Level:**

Applicants must have one year of specialized experience (equivalent to the GS-5 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrates experience in:

- Dealing with human-wildlife conflicts and principles of wildlife damage management.

- The requirements of local, state, and national rules and regulations as they apply to wildlife policies and procedures.
- Contacting and developing working relationships with various parties, including but not limited to farmers, businesses, landowners, airports, natural resources, pest management, civil engineering, and other federal agencies.
- Proficient with wildlife damage management techniques to carry out a full range of common technical duties such as: exclusion, trapping, snaring, non-lethal harassment, lethal control, and firearms.
- Preparing reports regarding activities, observations, events, and other relevant data collected and inputting operations data into established and custom databases.

**OR**

Successfully completed 1 year of graduate education (18 semester hours) in wildlife.

**COMBINATION OF EDUCATION & EXPERIENCE AT THE GS-05/06 GRADE LEVEL:**

Applicants may have combinations of successfully completed education and specialized experience to meet total qualification requirements. The total percentages must equal at least 100 percent to qualify for that grade level.

**TRANSCRIPTS are required if:**

- You are qualifying for the position based on education.
- You are qualifying for this position based on a combination of experience and education.
- This education must have been successfully completed and obtained from an accredited school, college, or university.

**MINIMUM ELIGIBILITY REQUIREMENTS:**

To qualify, applicants **MUST** meet all minimum qualification requirements, except Medical Requirements, by the closing date of the announcement.

**HOW YOU WILL BE EVALUATED**

Applicants who meet basic minimum qualifications may be referred to the hiring manager for selection. Qualified candidates eligible for veterans' preference will receive referral and selection priority over non-veterans.

**OTHER REQUIREMENTS: (if applicable to your position)**

- Must obtain or have a valid state driver's license. Operation of Government-owned or leased vehicles is required. (if this applies)
- Occasional travel may be required.
- Subject to satisfactory adjudication of background investigation and/or fingerprint check.
- Direct Deposit: Per Public Law 104-134 all Federal employees are required to have federal payments made by direct deposit to their financial institution.
- Successfully pass the E-Verify employment verification check. To learn more about E-Verify, including your rights and responsibilities, visit <https://www.e-verify.gov/>.
- Must demonstrate a respect for safety in all operations, including the operation of motor vehicles, firearms, control devices, and equipment.
- To perform the essential duties of this position, you must have the legal and physical ability to possess and discharge firearms. You must be able to pass a government background check and meet any additional requirements to carry and use firearms. A background check will include answering questions about where you've lived, worked, went to school, and any military

history or police records. Selection and retention in this position is contingent on a successfully adjudicated FBI National Criminal History Check (fingerprint check).

**Emergency Response** – APHIS is an emergency response agency. This means that all Agency employees may be asked or assigned to participate in rotating temporary duty assignments to support emergency programs at some time during their careers with APHIS. It is difficult to predict the frequency with which such emergency situations may occur – and could range from several emergencies in a year to none over the course of many years. In the event that you are called upon to support an emergency program, this may require irregular working hours, including overtime, and may include duties other than those specified in your official position description. While some emergency program support assignments may be able to be performed at the employee’s current duty station, in other cases employees may be asked to go on-site to a temporary duty state location. In addition, it may be necessary for employees to participate in multiple rotations to an emergency program assignment. Attempts will be made to keep disruption to the employee to a minimum.

**NOTE: APPLICANTS FOR THIS POSITION WILL BE REQUIRED TO SUBMIT TO URINALYSIS TO SCREEN FOR ILLEGAL DRUG USE PRIOR TO APPOINTMENT. APPOINTMENT TO THE POSITION WILL BE CONTINGENT UPON A NEGATIVE DRUG TEST RESULT. INCUMBENTS OF THIS POSITION WILL BE REQUIRED TO SUBMIT TO URINALYSIS TO SCREEN FOR ILLEGAL DRUG USE ON AN ONGOING BASIS AFTER APPOINTMENT, AS DIRECTED.**

*Carrying a firearm is a condition of employment* – In the passing of the *Lautenberg Amendment*, Congress passed legislation which prohibits anyone who has been convicted of a misdemeanor crime of domestic violence from possessing a firearm or ammunition. If selected you will be required to sign the form, “Inquiry for Positions Requiring Possession of Firearms,” certifying that you meet this criteria.

**The United States Government does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.**

#### **Reasonable Accommodation Policy-**

Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application and hiring process should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a Case-by-Case basis.

A reasonable accommodation is any change in the workplace or the way things are customarily done that provides an equal employment opportunity to an individual with a disability. Under the Rehabilitation Act of 1973 the Equal Employment Opportunity Commission (EEOC) must provide reasonable accommodations:

- An applicant with a disability needs an accommodation to have an equal opportunity to apply for a job.

- An employee with a disability needs an accommodation to perform the essential job duties or to gain access to the workplace.
- An employee with a disability needs an accommodation to receive equal access to benefits, such as details, training, and office-sponsored events.

**Relocation costs will not be paid for this position.**

**More than one position may be selected from this announcement.**

Under the Fair Chance Act, agencies are not allowed to request information about an applicant's criminal history until a conditional offer of employment has been made, except as allowed for access to classified information; assignment to national security duties or positions; acceptance or retention in the armed forces; or recruitment of a Federal law enforcement officer. An applicant may submit a complaint or any other information related to an organization's alleged noncompliance with the Fair Chance Act. The complaint must be submitted within 30 calendar days of the date of the alleged noncompliance.
