CONSULTING FORESTER

We are seeking applicants for a full time, permanent position as a consulting forester in southwestern Indiana.

Job Description: Full range of forestland management for private landowners including timber marking, timber sale administration, logging monitoring, timber stand improvement, invasive species control, mechanical tree planting, forest and wildlife management plans, tree plantation maintenance and timber appraisals. Includes both field work and office work.

Job Requirements:

- Requires at least a B.S. in Forestry from an accredited university.
- Although extensive on-the-job training is expected, applicants should have a firm foundation in dendrology, mensuration and silviculture for central hardwood timber.
- A strong work ethic and being a self starter.
- The ability to earn and maintain an Indiana Pesticide Applicators license.
- Good verbal and written communication skills.
- Ability to build relationships with diverse parties including clients, timber buyers, loggers and other natural resource professionals.
- A valid drivers license and good driving record.

About Multi-Resource Management, Inc.: Created in 1985, MRM has been providing timber management services for 40 years. We are a small company that has succeeded by providing the highest quality management for our clients. In an industry driven by reputation, we have thrived on repeat business and referrals from landowners we have worked with.

Applications will be accepted until position is filled. Please send resumes and cover letters to anthonymercermrm@gmail.com. Questions can be directed to Anthony Mercer at 317-374-2826 (call or text) or anthonymercermrm@gmail.com. Doug Brown can also be contacted at 812-639-9724 or multiresourcemgmt@gmail.com.

This is a great opportunity for a young forester looking for a career in the consulting industry in Southern Indiana. Part-time work and internships would also be considered.
