

Job Opening: NSLC Teaching Assistant (TA) Environmental Science & Sustainability and Marine Biology

About the National Student Leadership Conference:

The NSLC's Environmental Science & Sustainability and Marine Biology programs are 9-day conferences for high school students interested in the vast world of environmental sciences, climate change, and biology. The programs provide skills training and hands-on experience to prepare students for a career in the industry. We are seeking individuals with relevant academic and leadership experience to work with high school students and assist with residential life.

The Role:

Teaching Assistants guide students through their NSLC experience. Each TA is responsible for a small group of 12-16 students. TAs arrive on-site 5 days before student arrival to participate in a mandatory 4-day orientation & training. This training runs from 9:00 AM - 6:00 PM daily. Following training, TAs will work for 9-day sessions with a 3-day break in between. TAs work very long days and are expected to be ready to assist students at any point during the program. A typical day lasts from 9:00 AM - 10:30 PM.

Responsibilities:

- Lead small group discussions and debriefings
- Teach academic and leadership sessions, as well as set-up and break-down activities
- Assist administrative staff, professors, and leadership facilitators with program components
- Serve as a chaperone during off-campus trips and evening social activities
- Reside in the dormitory on the same floors as students, serving as a Resident Advisor

Qualifications:

- TAs are generally current college sophomores – seniors. Current freshmen are generally considered for our Assistant Team Advisor (ATA) position
- NSLC has a primary focus on leadership development. Applicants should have leadership experience and/or training
- Our programs include TA-led sessions that require appropriate educational backgrounds and work/volunteer/intern experience

Compensation:

TAs will be paid \$900 at the end of each 9-day session. The NSLC pays for room & board, meals during sessions (most of which are eaten in the dining hall on campus), and transportation to and from the conference.
