

Purdue University

Food Science - West Lafayette

We are pleased that you are interested in our graduate program. Before you continue with the electronic application for admission, we wish to ensure that you are familiar with the minimum requirements for admission to graduate degree study in Food Science.

It is important to recognize that although satisfaction of these basic requirements does not guarantee admission, failure to satisfy these requirements may lead to automatic denial of admission.

If you do not meet the basic requirements described below, please do not submit the electronic application until you have contacted our graduate program coordinator.

Codes for GRE: Purdue code is 1631. The Food Science code is 0107.

Codes for TOEFL: Purdue code is 1631. The Food Science code is 31.

****The GRE requirement is currently waived until December 31, 2023, for Spring 2024 enrollment. GRE requirements are reinstated for Fall 2024 enrollment and beyond.**

****Prospective applicants in countries other than Iran and Mainland China, Educational Testing Service (ETS) announced April 2, 2020, that the TOEFL iBT Special Home Edition is available in all locations where the TOEFL iBT test has normally been available. This is a proctored online version of the test that can be taken in test users' homes. Additional information about this new test option and updates on testing center closures, postponements, and rescheduling can be found at <https://www.ets.org/toefl/test-takers/ibt.html>.**

IELTS is providing updates regarding testing centers at: <https://www.ielts.org/news/2020/ielts-now-open-in-over-100-countries-including-china>
