

GRADUATE STUDENT RECRUITING NOW

Lab Introduction

Our lab explores the human factors influencing food safety. We use interdisciplinary methods to assess the knowledge, beliefs, and behaviors that impact food safety among food handlers, and we develop educational interventions to improve compliance.

Who we're looking for:

- ✓ Interested in human factors research
- ✓ Detail-Oriented
- ✓ Team Player: We appreciate communication skills and teamwork
- ✓ Ability to manage multiple projects
- ✓ (Preferred) Experience with Excel. Some Knowledge of SPSS or similar software is a plus
- ✓ (Preferred) Strong writing skills

Eligibility

Graduating students or those with a bachelor's degree who can start in the Summer or Fall 2025.

If you are interested, please send your resume to Dr. Betty Feng at yfengchi@purdue.edu
