

## Purdue Student Farm Field Research Request

Project Investigator: Faculty  Staff

Name: \_\_\_\_\_ Dept: \_\_\_\_\_

Email Address: \_\_\_\_\_ Phone: \_\_\_\_\_

Additional Contact: Co-PI  Undergraduate student  Graduate student - M.S.  Ph.D

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Project Title: \_\_\_\_\_

Abstract:

Proposed State Date: \_\_\_\_\_ Proposed End Date: \_\_\_\_\_

Repeat Next Year? YES  NO

Previous Tillage/Crop/Treatment

Consideration: \_\_\_\_\_

Fertilizer Application

Organic  Conventional  Mixed  Compost – Plant  Compost – Manure  Raw Manure

Will the harvested crop from this study need to be destroyed? YES  NO

Will any GMO/transgenic seed or plant material be used in this study? YES  NO

Will livestock be used in this study? YES  NO  Chickens  Sheep

Are there any food safety concerns? YES  NO

If the answer is YES, do you have a food safety (HACCP) plan? YES  NO

When will the plot diagram be provided? \_\_\_\_\_

Do you have current (or pending) funding for this project? YES  NO

What is the funding source? \_\_\_\_\_

Does the funding allow any cost recovery to the PSF? YES  NO

How much funding is available for undergraduate student labor? \$ \_\_\_\_\_

	Implemented By		Special Instructions to PSF Staff
	PSF	PROJ	
Primary Tillage			
Fertilizer			
Seeding			
Transplanting			
Cultivation			
Irrigation			
Insect Control			
Disease Control			
Weed Control			
Sampling			
Harvesting			
Plot Clean up			
Data Collection			
Other Data			
Special Equip. needs			

Comments:

I/we have read and understand the PSF Research Projects and Programs SOP:
