

Golf Course Maintenance Internship

The Links of North Dakota | Williston, North Dakota

\$20/hour + Overtime | Housing Provided | Golf Privileges

Looking for a summer internship where you can **gain real-world experience, build your career, and work at a nationally recognized golf course?**

The Links of North Dakota is looking for a motivated **Golf Course Maintenance Intern** to join our team in Williston, North Dakota. This is a hands-on opportunity to work alongside our Golf Course Superintendent and gain valuable experience in every aspect of golf course maintenance and management.

Work at a Top-Ranked Golf Course

The Links of North Dakota has been recognized multiple times by *Golfweek* among the **Top 100 Courses You Can Play** in the United States. In *Golfweek's Best 2025*, the course was ranked **#72 among the Top 100 public-access courses in the U.S.**

The course also recently completed a **full irrigation system renovation in 2024**, along with a renovation of the Hole 1 green, giving interns the opportunity to work with updated systems and be part of ongoing course improvement projects.

Get Hands-On Experience

As an intern, you won't just be watching from the sidelines. You'll be actively involved in maintaining and improving the golf course while learning from experienced turf professionals.

You'll have the opportunity to gain experience with:

- Daily golf course setup and preparation
- Irrigation repair, troubleshooting, and maintenance
- Water management and turf health
- Fertilizer and chemical applications
- Sprayer and application equipment calibration
- Equipment operation and maintenance
- Crew supervision and team management
- Tournament preparation
- Golf course improvement and renovation projects

This internship is designed to help you **develop practical skills that you can take directly into a career in turfgrass management or golf course operations.**

Who We're Looking For

This position is a great fit for a **college student or recent graduate** pursuing a career in:

- Agronomy
- Turfgrass Science
- Golf Course Management

Whether you're looking to complete an internship requirement, gain experience for your resume, or explore a career in the golf industry, you'll have the opportunity to learn, take on responsibility, and make connections with experienced professionals.

What You Get

\$20/hour + overtime

Plus:

- **Housing provided**
- Staff uniforms
- Pro shop discounts
- **Golf privileges**
- Great work environment
- Opportunities for advancement
- Valuable hands-on experience at a nationally recognized golf course

Build Your Career While Enjoying the Experience

An internship should be more than just another line on your resume. At The Links of North Dakota, you'll have the chance to **learn new skills, operate equipment, work with irrigation systems, participate in course projects, and experience what it's really like to manage a high-level golf course.**

You'll work alongside industry professionals, take on meaningful responsibilities, and leave the internship with experience that can help set you apart when applying for future positions in the turfgrass and golf course management industry.

Ready to gain experience, play some golf, and take the next step toward your career?

How to Apply

Please submit a **cover letter, resume, and references** to:
