

The Country Club

Job Description

Position Title:	Agronomy Internship
Position Reports to:	Golf Course Superintendent and Director of Grounds
Employee Categories:	Full Time Seasonal
FLSA Category:	Non-Exempt; Hourly
Compensation:	\$19.50 / hour

Our Agronomy Internship offers opportunities for individuals looking to build a career in the golf course and turfgrass industry. Interns will work closely with our Agronomy professionals, gaining practical knowledge across all facets of maintenance and operations. From daily course preparation and agronomic practices to water management and equipment operation, interns can expect to develop a comprehensive understanding of the skills, techniques, and attention to detail required to maintain exceptional playing conditions.

Interns will meet often with the Director of Grounds, Golf Course Superintendent, and other members of our turf team to discuss the decisions and strategies that drive our operation. We'll review cultural and maintenance practices, pesticide and fertility programs, water management, and the importance of communication and collaboration with the Equipment & Shop Manager regarding equipment use. Interns should expect to be cross trained in all areas of maintenance and operations, providing a well-rounded foundation for a successful career in turf management.

Primary Responsibilities:

- Assist the Golf Course Superintendent in providing the membership with the exceptional course and grounds conditions.
- Perform daily golf course preparation and setup.
- Participate in all aspects of golf course maintenance including mowing greens, tees, fairways and roughs, divot filling, aerification, verticutting, and other cultural practices
- Monitor and manage turf and soil moisture levels
- Learn and assist with irrigation maintenance and troubleshooting

- Chemical and fertilizer calibrations, applications, and record keeping with proper supervision.
- Assist with topdressing applications and programming.
- Tree care, landscape maintenance, and hazard maintenance.
- Participate in in-house construction and improvement projects.
- Perform other duties as assigned by the Superintendent and Director of Grounds.

What We're Looking For:

- A strong work ethic, passion, positive attitude, and desire to learn.
- Ability to work effectively as part of a team in a fast-paced, hands-on environment.
- Sound knowledge and understanding of the game of golf.
- Ability to think critically, make sound decisions, and adapt quickly to change.
- Valid driver's license.
- Enrolled in or completion of an accredited Turfgrass Management or related program is preferred.

Physical Requirements:

- Must be able to stand for 8 to 10 hours.
- Ability to lift to 50 lbs.
- Must be able to arrive at work in the early morning hours, work weekends and holidays as scheduled.
- Must be able to work outside for 10 - 12 hour days.
- Ability and willingness to perform physically demanding tasks associated with golf course maintenance.

We have excellent benefits including but not limited to:

- Health, Dental and Vision coverage
- 401(k) with Employer Match
- Employee golf privileges on Mondays
- Complimentary employee meals daily
- Vacation, Sick, and Personal time off
- Opportunities for continuing education
- Scholarship opportunities for degree-based education
- Attend professional development seminars
- Volunteer for USGA, PGA, and other professional golf events
- Employee housing based on availability
