

## **Assistant Superintendent Position**

### **Description:**

The Assistant will work alongside the Superintendent to plan and execute daily operations and evaluate current agronomic programs/procedures. The daily role of the Assistant includes disease and insect scouting, participating in daily maintenance, crew management, irrigation scheduling and repair and application of pesticides/nutrients. The goal of this position is to prepare the Assistant to be capable of advancing his/her career to a Superintendent position. Qualified candidates, including those currently in turf school that expect to graduate in Spring 2025, are encouraged to apply.

### **Qualifications:**

- 2-4 year degree in Turf grass Management, Agronomy, Horticulture, or related field preferred.
- Minimum 2-3 years of experience in golf course maintenance practices.
- Strong knowledge of turfgrass management practices, irrigation systems, and equipment operation.
- Pesticide applicator's license or ability to obtain one within 6 months.
- Excellent leadership, communication, and people skills.
- Ability to work flexible hours, including weekends and holidays, as needed.
- Strong attention to detail and problem-solving abilities.
- Physical stamina and ability to perform manual labor in various weather conditions.

### **Salary and Benefits:**

- \$45,000 - \$55,000 Salary
- Health Insurance
- Bonus Opportunities
- Local and National Dues
- PTO / Vacation
- Golfing Privileges
- Uniforms
