

**Job Title:** Fertilizer Technician

**Location:** Indiana

**Job Type:** Full-Time / Seasonal

**Job Summary:**

We are seeking a skilled and detail-oriented **Fertilizer Technician** to join our team in Bloomington Indiana. As the Fertilizer Technician you will be responsible for safely applying fertilizers, herbicide and other treatments to our customers lawns, and landscapes. This role requires a strong understanding of application techniques, equipment operation, and safety protocols to ensure effective and environmentally responsible treatment. A registered technician certification is required.

---

**Key Responsibilities:**

- Apply fertilizers, herbicides, and pesticides according to state and federal regulations.
  - Operate and maintain application equipment, including spreaders and sprayers.
  - Monitor soil conditions and plant health to determine proper treatment plans.
  - Mix and prepare fertilizer and chemical solutions based on application requirements.
  - Ensure accurate record-keeping of application rates, chemicals used, and service reports.
  - Follow safety procedures and guidelines to prevent contamination or environmental damage.
  - Communicate with customers or supervisors regarding treatment plans and progress.
  - Perform routine maintenance on equipment to ensure proper functionality.
  - Adhere to all state licensing and certification requirements for chemical application.
- 

**Qualifications:**

- A positive, team-oriented attitude and a strong work ethic.
- Horticultural background preferred.
- Previous experience in fertilizer application, landscaping, or agronomy is a plus.
- Knowledge of fertilizer types, pesticide regulations, and proper application techniques.
- Ability to operate and troubleshoot equipment such as spreaders, sprayers, and tanks.
- Strong attention to detail and ability to follow application instructions accurately.
- Must hold or be willing to obtain necessary state certifications/licenses for pesticide and fertilizer application.
- Physical ability to lift 50+ lbs, work outdoors in varying weather conditions, and walk for extended periods.

- Valid driver's license with a clean driving record
- 

**Benefits:**

- Competitive salary based on experience (\$24-\$27 per hour)
- Paid time off and holidays
- Opportunities for training and advancement

If you are passionate about lawn care, or turf management and have a strong work ethic, we encourage you to apply!
