

# Greenhouse & Grounds Manager

**Part-Time Position - Watch Us Farm, Zionsville, IN**

## Background

Watch Us Farm is an innovative agricultural operation featuring a 7,000 square foot hydroponic greenhouse specializing in lettuce and microgreen production. We're expanding to a new 25-acre campus that in addition to larger more modern hydronic greenhouses will include traditional farming elements such as a pumpkin patch and apple orchards, creating an exciting opportunity for a passionate agricultural professional to grow with us

## Position

We seek a dedicated Greenhouse & Grounds Manager to oversee our current hydroponic operations and assist in our expansion to traditional farming methods. This role offers a unique opportunity to bridge modern and traditional agricultural practices while being part of Watch Us Farm's growth trajectory.

## Key Responsibilities

- Manage current daily operations of our hydroponic greenhouse systems
- Monitor and maintain optimal growing conditions for lettuce and microgreens
- Oversee farmers markets and restaurant supplies
- Oversee planting schedules and harvest operations
- Assist in planning and implementing our expansion to the new campus
- Help develop and maintain future pumpkin patch and apple orchard
- Train and supervise farm staff as we grow
- Ensure compliance with food safety regulations and targeted organic standards

## Required Qualifications

- Experience in commercial greenhouse operations
- Working knowledge of hydroponic growing systems
- Understanding of traditional farming practices
- Strong problem-solving and organizational skills
- Ability to adapt to both technical and traditional farming methods
- Experience with crop planning and harvest scheduling
- Leadership experience preferred

## Desired Skills

- Degree in Agriculture, Horticulture, or related fields
- Experience with automated greenhouse systems
- Knowledge of orchard management and/or specialty crop production
- Familiarity with sustainable farming practices
- Strong communication and team management skills

## Benefits

- Competitive salary based on experience
- Opportunity for growth as operations expand
- Hands-on role in shaping the future of a growing agricultural business
- Professional development opportunities
