

I am writing today to announce an opening for the position of Landscape Manager at Oak Hill Country Club in Rochester, NY. This is a full-time, year-round position for a motivated individual who is dedicated to enhancing our beautiful grounds for our members.

**Key responsibilities include:**

- Maintaining the landscaping and surrounding areas, including the clubhouse, snack bars, cottages, and sports complex.
- Ordering and installing over 2000 annuals each year.
- Coordinating multiple plantings as the seasons change.
- Collaborates with the Director of Agronomy to implement capital improvement projects around the clubhouse.

With our clubhouse currently undergoing a \$40M renovation, the Landscape Manager will play a crucial role in shaping the future of our landscape, including creating a master plan for a full renovation set to begin in 2026.

We are seeking a candidate who is anticipated to graduate in either the fall of 2024 or the spring of 2025. We look forward to finding the right candidate to join our team.

Respectfully,

**Fred Doheny**

*Asst. Director of Agronomy*
