

Purdue University Staff,

My name is Stephen Murphy and I am a Landscape Architect working with Linda Tycher & Associates in Dallas, Texas. I am writing to your department because the firm is in the process of seeking candidates to fill a new Project Manager/ Landscape Architect position. We are seeking talented and driven individuals interested in working in a boutique firm that will provide invaluable work experience. I was hoping that if you knew of anyone students or graduates who are seeking employment or if your university has some sort of job board that this letter could be distributed through the proper channels.

A description of the job posting:

Linda Tycher & Associates is currently seeking a design professional meeting the following criteria:

- Entry Level up to five years of experience
- Bachelor of Landscape Architecture degree or MLA from accredited program
- Strong AutoCAD, graphic, and written communication skills required
- SketchUp and Adobe Creative Cloud (Photoshop and Illustrator) experience preferred
- Ability to work close with senior staff in a team oriented environment
- Individual must be highly-motivated and deadline oriented

Responsibilities:

- Support senior staff with site analysis incorporated into base files
- Work closely with senior staff to produce design graphics and construction documents
- Generate cost estimates based on design documents
- Manage and document projects from conception through completion
- Review shop drawings and provide support drawings to aid in construction

For qualified individuals interested in an opportunity to develop their skills and become an integral part of a dynamic design firm, please submit resumes to:

Stephen Murphy, Senior Associate  
LINDA TYCHER & ASSOCIATES, INC.  
11411 N. Central Expressway, Suite V
