Arboriculture Internship

Summer, 2026

OVERVIEW

If you're interested in exploring a career in arboriculture, consider starting your journey with Oakleaf Treeworks. We're thrilled to offer two students a 2026 summer internship, where you'll begin to learn the ins and outs of tree work.

As an arboriculture intern at a small, family-run company, you will get the unique experience of seeing how the tree work itself and the administrative side come together. Throughout your 8-12 weeks of hands-on training with our talented team, you will grow your skillsets both in the field and beyond.

BENEFITS

- \$15.00-\$17.00 per hour
- Hands-on experience and training in arboriculture, working alongside skilled professionals

FOCUS AREAS:

- Using and maintaining equipment including: Chipper, stump grinder, chainsaw, hand pruner, Bobcat, and more
- Identifying trees, and recognizing biological and structural issues
- Utilizing proper pruning and removal techniques
- Estimating tree work
- Customer communication
- Acquiring permits for tree work
- Scheduling tree work

QUALIFICATIONS

- Current student in a related field
- High school diploma or GED
- A strong desire to learn, and the willingness to work in all weather conditions
- Bilingual English/Spanish is a plus
