Our Company:

We are opening a luxury outdoor living store in West Lafayette & are expanding our current landscape installation team! We specialize in landscape design & installation, focusing on tree & shrub planting, patios, pergolas, and landscape lighting. We enjoy creating the most beautiful outdoor spaces for our clients. We value quality over quantity!

Foreman Roles & Responsibilities:

- Lead landscape construction crew
- Read and interpret landscape design plan
- Install patios, hardscape features (pavers, retaining walls, steps), and outdoor lighting systems.
- Maintain organized and safe job sites.
- Document material receipts, timecards, & progress

Install Crew Member Role & Responsibilities:

- Help with landscape installation - creating beds, planting, placing rocks, mulching
- Assist with hardscape installation – patios, firepits, and lighting
- Operate basic landscape tools & equipment
- Able to work outdoors in varying conditions
- Contribute to a positive, hardworking culture

In-Store Team Member Role & Responsibilities

- Welcome customers and assist them in choosing furniture that best suits their lifestyle and needs
- Create and send quotes to customers
- Assist in Social Media posts
- Help with creating marketing materials
- Keep a clean and organized showroom environment
