

Landscape Architect / Designer

Savino & Miller Design Studio is an award-winning design firm providing Landscape Architecture, Urban Design and Planning consulting services since 1993. The firm consists of a multi-disciplinary group of professionals dedicated to improving and transforming our open spaces and built environments through artistry and ecological sensitivity. Our diverse portfolio includes projects in the private and public sectors, from residential, hospitality, and commercial uses to urban parks, master planning, and streetscape designs.

We are looking for a designer with 2-3 years of experience at a landscape architecture firm to work at our office in Miami, FL. The ideal candidate will be creative, organized, and collaborative, with outstanding graphic and AutoCAD skills.

Working for our firm offers the benefits of a small studio setting with the opportunity to work on different scales and high-profile projects throughout South Florida. At Savino & Miller Design Studio, we appreciate creativity and hard work, while prioritizing a healthy work-life balance. www.savinomiller.com

Job Description

This position will assist senior staff in providing graphic and technical production for site planning, urban and landscape design projects in both the public and private sectors.

Qualifications:

- Degree from an accredited landscape architecture program.
- 2-3 Years experience with a landscape architecture firm.
- MLA a plus.
- Knowledge of native South Florida plant material preferred.
- Proficient in AutoCAD.
- GIS a plus.
- Registered landscape architect a plus.
- Adobe Creative Suite, Excel, SketchUp. Land FX and Lumion a plus.
- Experience in production of Design Development and Construction Documents in Landscape Architecture (submit examples).
- Understanding of all facets of landscape architecture work including planting, paving, lighting, water features and irrigation.
- Technical specification knowledge a plus.
- LEED/SITES accreditation a plus.
- Excellent written and presentation skills.
- Enthusiastic team player.
- US Citizenship, Residency or Work Permit is required.

*Please note: Applicants must have a landscape architectural degree to be considered for this position.

We offer:

- Salary commensurate with experience and skills.
- Comprehensive benefits plan that includes medical, vision, dental, short- & long-term disability, and simple IRA.
- Currently working 3 in-office days and 2 work-at-home days.

Other:

To apply, please submit a cover letter, resume, and a portfolio showing AutoCAD drawings/presentation graphics and renderings, and relevant work samples to info@savinomiller.com, kelsey@savinomiller.com and CC steph@savinomiller.com
