

**2025 TURFGRASS
INTERNSHIP PROGRAM**
AT OYSTER HARBORS CLUB

OYSTER HARBORS CLUB

Oyster Harbors Club is situated on Grand Island, Osterville on the southern shores of Cape Cod, MA. Founded in 1926, Oyster Harbors Club has become synonymous with championship caliber golf and the ultimate summer retreat. The 18 hole championship course is regarded as one of Donald Ross's last original designs and has remained one of New England's best kept secrets. Beginning in the Fall of 2024, the Club intends to re-establish Ross's original designs with the help of architect Gil Hanse. The enhancement plan includes the installation of a new pump house and full golf course irrigation system, finishing with Gil Hanse's master improvement plans. Oyster Harbors Club is looking for highly motivated individuals with a passion for golf and its history.
